Unless applicable law gives you more rights despite this limitation, you may use the software only as expressly permitted in this agreement. In doing so, you must comply with any technical limitations in the software that only allow you to use it in certain ways. You may not
 - work around any technical limitations in the software;
 - reverse engineer, decompile or disassemble the software, except and only to the extent that applicable law expressly permits, despite this limitation;
 - make more copies of the software than specified in this agreement or allowed by applicable law, despite this limitation;
 - publish the software for others to copy;
 - rent, lease or lend the software;
 - transfer the software or this agreement to any third party; or

- 4. DOCUMENTATION.** Any person that has valid access to your computer or internal network may copy and use the documentation for your internal, reference purposes.
- 5. TRANSFER TO ANOTHER DEVICE.** You may uninstall the software and install it on another device for your use. You may not do so to share this license between devices.
- 6. FEEDBACK.** Upon Microsoft's reasonable request, you will provide feedback regarding the software to Microsoft, including but not limited to usability and testing results (collectively "Feedback"). You agree that (i) Microsoft may use, disclose, reproduce, license, distribute, and otherwise commercialize the Feedback in any Microsoft product, software, service, specification or other documentation (including commercial version(s) of the Software) (collectively, "Microsoft Offerings"), (ii) you grant third parties, without charge, only those patent rights necessary to enable such third parties' products, technologies, or services to use or interface with any specific parts of Microsoft Offerings that incorporate the Feedback; and (iii) you will not give Microsoft Feedback that is subject to license terms that seek to require any Microsoft Offering that incorporates or is derived from any Feedback, or other Microsoft intellectual property, to be licensed to or otherwise shared with any third party. Microsoft provides no assurance that any specific errors or discrepancies in the software will be corrected, regardless of the Feedback Microsoft may receive.
- 7. EXPORT RESTRICTIONS.** The software is subject to United States export laws and regulations. You must comply with all domestic and international export laws and regulations that apply to the software. These laws include restrictions on destinations, end users and end use. The laws of the state where you live govern all other claims, including claims under state consumer protection laws, unfair competition laws, and in tort.
 - b. Outside the United States.** If you acquired the software in any other country, the laws of that country apply.
- 11. LEGAL EFFECT.** This agreement describes certain legal rights. You may have other rights under the laws of your country. You may also have rights with respect to the party from whom you acquired the software. This agreement does not change your rights under the laws of your country if the laws of your country do not permit it to do so.
- 12. DISCLAIMER OF WARRANTY.** The software is licensed “as-is.” You bear the risk of using it. Microsoft gives no express warranties, guarantees or conditions. You may have additional consumer rights or statutory guarantees under your local laws which this agreement cannot change. To the extent permitted under your local laws, Microsoft excludes the implied warranties of merchantability, fitness for a particular purpose and non-infringement.

FOR AUSTRALIA – You have statutory guarantees under the Australian Consumer Law and nothing in these terms is intended to affect those rights.

- 13. LIMITATION ON AND EXCLUSION OF REMEDIES AND DAMAGES.** You can recover from Microsoft and its suppliers only direct damages up to U.S. \$5.00. You cannot recover any other damages, including consequential, lost profits, special, indirect or incidental damages.

This limitation applies to

- anything related to the software, services, content (including code) on third party Internet sites, or third party programs; and
- claims for breach of contract, breach of warranty, guarantee or condition, strict liability, negligence, or other tort to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your country may not allow the exclusion or limitation of incidental, consequential or other damages.
